Do you want your case to be shared publicly?	<input type="checkbox"/> Yes	<input type="checkbox"/> No	<input type="checkbox"/> Maybe, let’s discuss further
<p>Summary: Please offer a high-level overview of your case. To the extent possible, make sure the summary is one that can be shared publicly. [1,750 character limit]</p>			

1. WHAT? What is the general context in which the case takes place? [750 character limit]

2. WHY? What is the development and/or programmatic challenge(s) or opportunities that prompted you to use the TWP approach? [1,000 character limit]

3. LEARNING: What did you learn? What was your approach to learning? [1,750 character limit]

4. HOW: How did you use the learning from this approach? What substantive adaptations did you make? Who was involved in the adaptations and how? [3,000 character limit]

5. WHO: Which external stakeholders did you engage at any point in the process (e.g., private sector actors, informal market actors, other donors or partners, government, NGOs, CSOs, CBOs, other)? [1,750 character limit]

6. RESULTS: What changes have you seen as a result of this approach? What impact do you expect to see? [2,000 character limit]

7. [Optional] What were the enabling conditions that allowed this to occur? What challenges did you face and how did you overcome them (if you did)? How would you advise others to navigate any challenges you may have faced? [1,750 character limit]

Please submit all questions and completed forms via email to twpcases@pseisc.com

This case competition is managed by USAID's Bureau of Democracy, Human Rights, and Governance through the Private Sector Engagement Modernization Institutional Support Contract (PSEMC), implemented by Dexis Professional Services in partnership with Acute Incite, LLC. These services are made possible by support from the American people.
