#### Findings Track

**Session 1: What do we know about how to support democratic openings?, Thursday, February 15, 2024, 8:00 - 9:30 am Eastern**

	As a third wave of autocratization has unfurled, key questions remain on how to forestall and reverse democratic backsliding. <a href="#">Check out the slides and recording.</a>
	Check out the infographic along with the <a href="#">Literature Review</a> , <a href="#">Executive Summary of Case Study Report</a> , and the <a href="#">Full Case Study report</a> . <a href="#">Theories of Democratic Change (2015) Phase I: Theories of Democratic Backsliding</a>

**Session 3: What we’ve learned about countering corruption: political will, transnational corruption, and behavioral change, Wednesday, February 21, 2024, 9:00 - 10:30 am Eastern**

	This session explores what we have learned in the last year from separate studies on (1) how to address corruption in environments with low political will, (2) how to pivot existing approaches to address transnational corruption, strategic corruption, and kleptocracy, and (3) how to incorporate social and behavioral change approaches in preventing and combating corruption. <a href="#">Check out the slides and recording.</a>

**Session 4: Advancing Gender-Inclusive Democracy: Assessing Barriers and Opportunities for Advancing Women’s Leadership and Participation in Politics and Public Life, Thursday February 22nd, 2024, 9:00 - 10:00 am Eastern**

	A key step towards achieving gender inclusive democracy is women’s political empowerment. Drawing on extensive research and expertise, this session details USAID’s updated Women’s Political Participation and Leadership (WPPL) Assessment Framework, and its special focus on men and elite gatekeepers. <a href="#">Check out the slides and recording.</a>

Process Track:

**Salon I: Just Learn What? Informing Future USAID DRG Learning Priorities, Thursday February 15th, 2024 | 11:00am-12:00pm**

	<p>We are developing the 2024-26 DRG Learning Agenda and would love to hear from you on what you are learning, your priorities and questions along with recent research, evaluation and evidence you have produced. Check out the <a href="#">Padlet results</a>.</p>
	<ul style="list-style-type: none"> <li>● <a href="#">DRG Center 2021-23 Learning Agenda</a></li> <li>● <a href="#">Past learning agenda work on DRGLinks</a></li> </ul>
	<ul style="list-style-type: none"> <li>● <a href="#">INFORMED: Learning Question Formulation in Eight Steps</a></li> <li>● <a href="#">Adaptive Management Decision Chart</a></li> </ul>

**Salon 2: Did we succeed? All you ever wanted to know but were afraid to ask about developing robust outcome indicators, Tuesday, February 27, 2024 9:00 - 10:00pm Eastern and Wednesday, February 28, 2024 9:00 -10:00am Eastern**

	<p>We want to estimate the impact of our programs, but measuring DRG outcomes is notoriously challenging. In this interactive session you will learn about developing outcomes indicators that help us understand the impact of our programs. Check out the recordings <a href="#">here</a> and <a href="#">here</a>.</p>
